Dear Sir/Madam

RE: MPHEREMBE MEGA SALVATION CRUSADE REPORT

Once again, I greet you in the wonderful name of our Lord Jesus Christ.

It is with great joy that I write this report to you about the just ended **MPHEREMBE MEGA SALVATION CRUSADE** that you generously and cheerfully supported which was a great success despite having many shortfalls on our budget.

Unfortunately, we were not able to raise enough money to cater for the proposed budget. However, we still found it more important that we should go for the crusade in the absence of enough finances for the sake of the gospel to be preached at all costs and souls to be won for Christ.

The crusade attracted an average of 500 people of which 75 were recorded to have received Christ to be their lord and savior. A good number of people went through counselling and massive deliverance took place. We saw many sicknesses and afflictions being delivered in the name of Jesus.

The lord was gracious enough that even during the door to door and street evangelism, our team reached out to many families and shared the word with them. We saw a number of harlots (sex workers) receiving Christ. Notably was one girl in her early 20s who came to Mpherembe some months ago and was living in bottle stores and working as a full-time prostitutes, she encountered the power of the word and confessed her sins and surrendered to her life to Christ. She was delivered and she asked if she could be helped to return back home and re-unit with her family at (Ekwendeni). So without hesitation we took her along with us as we were coming back to Mzuzu after the crusade and dropped her to her family.

All our sessions were full of evangelistic messages, prayer and deliverances. Miracles, signs and wonders followed as Apostle Mac Kawonga ministered the word which was full of grace that convicted people unto repentance. This brought great joy in our midst as we saw multitudes coming to Christ. With the help of our ministry partners LIFE MINISTRY MALAWI we beamed the two Christian movies to the community. (The Jesus film and the discipleship follow-up film) on the nights of Friday and Saturday.

A week before the crusade our evangelism team together with our partners from Life Ministry camped at Mpherembe trading center for a 2 days meeting with local church leaders (pastors and church

elders). They conducted training sessions on evangelism, counselling, follow-up, discipleship and orientation. The training attracted pastors from more than 10 local churches within Mpherembe.

Attached are randomly picked photos of the crusade and a detailed financial report. May please find them for your appreciation.

Once again, we sincerely thank you for your support. It is always of great help to us and the work of God. May you find pleasure again in supporting us for the next crusade and other events.

Yours in Christ,

Pastor Alick Malcom Nyirenda
